**Subject: Chi-X Australia Announces Expansion of Tradable Universe**

Chi-X is pleased to announce its intention to extend the securities available for Continuous Trading from the current 298 symbols to the full list of securities specified in the Chi-X daily security file (CHIXTSL), which currently comprises approximately 2,085 ASX quoted securities. Once complete this will bring the securities available for Continuous Trading into alignment with those available for Trade Reporting. Details of these securities can be reviewed at the following [link](#). Please note that this list will be subject to change over time.

Subject to successful completion of testing, Chi-X is targeting Friday 3rd May 2013 to transition to the full stock universe. The formal transition date will be confirmed once testing has been completed, which is expected to occur by 19th April 2013.

If you have any questions concerning this announcement please contact Market Operations.
