Subject: Trade Reporting Service

As participants will be aware ASX has capped its fees for its trade reporting service to a maximum of \$1,000 per month per participant. Chi-X has considered this matter and in the short term will match the ASX offering by imposing a cap of \$1,000 per month on Chi-X's trade reporting fees. This cap on Chi-X's trade reporting fees is effective retrospectively from 1st April 2013.

Importantly, Chi-X will be reviewing the pricing of its trade reporting service over the next few weeks and will keep participants informed of its longer term intentions.
