Subject: Arrangements for Anomalous Order Thresholds

Chi-X Australia has today published its arrangements for anomalous order thresholds. This document can be found within the [Trading](#) section of the Chi-X Australia website.

These thresholds have been applied to both the Participant Test Environment and the Production Environment and can be tested prior to launch. If you have any queries concerning our arrangements for anomalous order thresholds or the test program, please do not hesitate to contact a member of the team.

Kind regards,

Chi-X Australia
