### **Subject: Chi-X Australia announces changes to securities available for trade reporting**

Chi-X currently supports trade reporting for the same securities that are available for trading in its central limit order book. Chi-X plans to support trade reporting in relation to the full list of cash equities quoted on ASX from Monday, 9 July 2012. The list of securities available for trading in the central limit order book will remain unchanged.

If you have any queries in relation to this change, please contact Market Operations.

Chi-X also takes the opportunity to advise that [Compliance Notice 05/12](#) was released earlier today which confirms, among other things, that pegged orders (including Mid-Point orders) will reference the national best bid and offer (NBBO) with effect from Monday 2 July 2012.
